

Maximize Your Profitability... Through Proper Feed Storage and Reduced Feed Outages

Prairie Pride by PW Aire has developed the Futures Bin today in our POLYBINS. Our POLYBIN has features that can never be matched by steel bins. Check the list of features below and you will agree that POLYBIN is the bin for your needs.

- Visible Feed Level
- 7 Year Warranty, the Longest in the Industry
- Corrosion Resistant For Long Life
- Large Poly Bins have 60 Degree Cone & Ultra Smooth interior finish for easy, even feed flow.
- Reduced feed outages with the ultra smooth cone feed flow
- Large Poly Bins have 35 Degree Roof for maximizing fill height
- Easy to Assemble
- Heavy duty steel ring and support stand
- Large 22" fill opening
- Ideal strength and flow characteristics for high moisture feeds, corn, soybean, salt, concentrates (premix), etc.

Optional Accessories:

- Remote lid opener with double spring hold down.
- Poly auger boot for multiple size straight augers 2" - 4".
- Roller slide gate
- Cyclone for proper receiving of pneumatically delivered feed.
- Sturdy steel ladders for all bin sizes.

New improved lower metal auger boot transition ring on all 9'6" & 7' Diameter Polybins.

7' DIAMETER
